UW-Madison Libraries

A Vision for Knowledge through 2020

Mission

University of Wisconsin-Madison Libraries provide:

- Leadership for the selection, organization, access, and preservation of sources of knowledge in all formats;
- Exemplary information services designed to fulfill the needs of a great public research university;
- Inspirational environments for collaborative and individual discovery, study, and learning.

Vision

- The Libraries are essential partners in the creative exploration, intellectual growth, and scholarly pursuits of the University.

To that end, the Libraries will:

- Invest in user experiences that inspire the creation, discovery, and sharing of knowledge:
  - Services
  - Physical Spaces
  - Virtual Spaces
- Provide expertise, services, and tools that prominently position the Libraries throughout the life cycle of research, teaching, and learning.
- Integrate innovative approaches to how the Libraries develop, disseminate, and preserve collection and information resources.
